Santiago, Chile — within 2 hours of U.S. Eastern · Open to remote U.S. roles, as an employee or contractor · Available to travel
Portfolio: plabsstudio.github.io/cpbportfolio · linkedin.com/in/catalina-pla-bretón-41a1071bb

## Profile

Bilingual (EN/ES) production assistant and film & communications graduate who builds the systems that keep production moving. At Personajes, a Santiago casting agency, I run day-to-day coordination and design the internal dashboards, automated messaging, and client-facing tools that cut the team's manual work. Seeking a remote production or casting coordination role with a U.S. team — no visa sponsorship needed.

## Skills

**Assistant & Operations —** Client communication · Scheduling & calendar management · Google Workspace · Notion · Research

**Automation & AI —** Workflow automation · Automated messaging (ManyChat) · AI-assisted development (Claude) · Process optimization

**Web & Data —** Internal dashboards · Supabase · GitHub · Database design · Web design & front-end

**Production & Coordination —** Pre-production documentation · Scheduling & logistics · Video editing · Film & event production

**Content & Marketing —** Content creation · Social media management · Meta, Google & TikTok Ads

## Professional Experience

**Production & Automation Assistant — *Personajes (Casting Agency)***
**Jun 2026 – Present · Part-time**

- Quote brand clients on incoming requests, manage contracts, and handle day-to-day communication across 2–3 productions a week
- Arrange and supervise roughly 20 talent portfolio sessions a week — scheduling talent and briefing the photographer; covering the shoot myself when needed
- Cast from the in-house roster for brand clients, through a system I built that surfaces and sends curated options
- Built and maintain the talent database and admin dashboard the agency runs on — 700+ profiles in one live view, on Supabase
- Built an automated contract delivery system, removing manual document sending from the workflow
- Automated client and talent messaging with ManyChat, eliminating repetitive manual follow-up

**Founder — *Grownly (Digital Skills for Older Adults)*** **Jan 2026 – Present**

- Built the program from scratch and manage two instructors — currently 9 active students
- Set the teaching approach: translating technical concepts for learners with no technical background, at their pace

**Freelance — *Web, Video & Content*** **2024 – Present**

- FinPartner (Montserrat SpA) — designed and built the firm's website
- Conecta Padel Club — video editing and full post-production workflow, from footage intake to final delivery

**Advertising & Content Manager — *Grupo Aleurca*** **Mar – Sep 2025**

- Sole marketing hire — owned ~US$30K/month in paid media across Meta, Google and TikTok
- Ran multi-platform advertising strategy, content production, and social end to end

**Production Assistant (Internship) — *2326Kino*** **Aug – Dec 2024**

- Developed pre-production documentation; supported event coordination and on-the-ground logistics

**Client-Facing Roles — *Retail, Hospitality & Events*** **2017 – 2024**

- Sales Assistant & Cashier (Inztinto, NET Parking) · Catering Cook & Server (Meat Lovers, XSB, El Rey) · Lift Operator (Sierra-at-Tahoe, California)
- Seven years of part-time, high-volume customer contact alongside school — resolving complaints, de-escalating in real time, and working to tight service deadlines

## Education

***Pontificia Universidad Católica de Chile*** — B.A. in Film Direction & Communications
2020 – 2024
